

STEVEN D. K. BROWN

Executive Director, Dreams, Imagination, & Gift Development Program

<https://digdp.org/>

Steven D.K. Brown is an electrical engineer, community leader, and Founder and President of Dreams Imagination & Gift Development Program (DIG), a nonprofit expanding STEMM education and career opportunities for youth in rural South Carolina. A graduate of the University of South Carolina with a B.S. in Electrical Engineering, Steven has spent more than 13 years creating pathways that connect rural youth to education, mentorship, technology, and STEMM careers.

Under his leadership, DIG has grown to serve 350+ youth annually through after-school programs and 120 students through summer STEMM camps, while impacting thousands more through community initiatives and the annual DIG STEMM Festival.

Steven's leadership has earned numerous honors, including the BEYA Community Service Award, Jefferson Award, Power of Rural Award, and Key to the City of Williston. He is currently leading the development of the DIG STEMM Center, a transformational education, technology, workforce development, and community facility planned for rural South Carolina.
